ABOUT US

ALIVE, an experience-based destination health park, provides inspiration and support for members of the Greater Charlotte and mid-Michigan communities to transform, empower and enhance their personal well-being.

ALIVE is the result of Hayes Green Beach Memorial Hospital's mission to provide quality care for patients and enhance the vitality of the community. ALIVE entices the imagination to explore new health opportunities and passions that call us to become all we can be.

ALIVE SERVICES*

ALIVE is an integrated array of health and well-being experiences. As it states in our Community Declaration: ***We are a gateway. We realize that there are many paths into ALIVE and many paths out from it. And each of them must be as unique as the person who travels it. So we will personalize everything through the questions we ask, and experiences we guide, for we know that being fully alive is something that must be drawn out, not something we can ever pound in.***

The services, programs and spaces at ALIVE can help inspire you to experience new adventures and achievements. There are free, fee-based and membership opportunities to assist you with accomplishing goals.

ALIVE SPACES

- **EMPOWER**, rehabilitation services
- **FUSE**, spa services and clinics
- **GATHER**, conference and meeting space
- **GROW**, children's recreational and enrichment area
- **MOVE**, fitness center
- **NOURISH** by The Big Salad, healthy eating café
- **RELISH**, demonstration eating kitchen

DEVELOPMENT

Growing evidence shows the act of being generous can contribute to health and well-being. You can participate in many ways at ALIVE, from the giving of time (as a volunteer or to help with community projects) or giving of talents (contributing expertise as a performer, committee member or instructor) or giving monetary support (by joining a giving club, remembering someone with a memorial or making a one-time gift).

For more about making a difference, call the Development Team at (517) 543-1050, ext. 1251, or email give@hgbhealth.com.
